ALREADY

We've sold dozens of pattern dresses, more than some stores will sell all season. There is a reason for that and it is worth your while to investigate it. SEE THE GOODS. You can at same time see our fall range of 500 Dress Goods. There has been nothing like them since we've been selling Dress Goods. We are willing that you should compare qualities with goods you paid a doller for last year. That is saying a lot, but more than that, we think there is no comparison in the styles. And goods at 25c, 20c, 17c, 15c, 12 1-2c are here in profusion, the best of their kind everyone and many of them surprisingly pretty. You will find us alert to show them, buy in your own time.

We've a Grey Flannel Bargein

The price is 12 1-2c, light and dark grey, plain or twill. It isn't the usual 12 1-2c kind.

OUR FLANNELETTES

At 5c and 7 1-2c are unusual value.
